There will be numerous opportunities for Millstadt businesses and contractors to participate in the project. Poettker Construction Company of Breese, IL has been selected by the Library to provide construction management services. Under this arrangement, multiple bid packages will be developed so that individual trades have the opportunity to directly bid for the project. Contracting opportunities for the project include the following: Earthwork / Excavation, Concrete, Asphalt Paving, Masonry, Structural Steel, Carpentry / General Trades, Acoustic Ceilings, Flooring, Painting, Plumbing, HVAC / Mechanical, Electrical, Fire Protection, Data / Technology / AV Systems, and Library Furniture.
