

Fundraising Committee Meeting Minutes
Millstadt Library
March 28, 2022
7:00pm

Old Business:

Virtual 5K: Small number of participants, just not a well known event. Next time, we could arrange some walks for groups to get together and get their miles.
Extra t-shirts could be sold at Paint Night.

Paint Night: Stick with one 30 person event. Jennifer will take care of getting paint, Nichole will order canvases. Joyce donated some brushes. People are welcome to come just to hang out for the night.

New Business:

May Savers Fund Drive:

Historical Society is ok with the Savers Clothing and Bedding Drive after Yard Sale Day in May. Nichole mentioned a need to pick up items from the area? A central drop location is feasible but not collecting from individual homes. The committee still thinks this should be doable. Need to inform people when they register to be in the yard sale with a handout. Nichole has a flatbed trailer that could be used for transportation.

June Field Day and Ice Cream Social:

Possible location at Elm Street Park?

Jennifer shared some relay game ideas. This event would need a lot of volunteer help to run games. Insurance may need to be increased, but this is not a considerable amount.

Patti mentioned the community choir is no longer going to host a Santa Breakfast. Money was made for this event by selling ads for a coloring book.

In April, there is a large Autism walk to be held in the park, over 800 will be in attendance.

Respectfully submitted by,
Jennifer Bernstein
